

Registration form

For participants of the
X Ukrainian-Polish scientific conference
“Polymers of special applications”

- Prof. Dr. Mr. Ms.
- First Name _____
- Last Name _____
- Affiliation _____
- Mailing address _____
- Tel. _____
- Fax _____
- E-mail _____
- Report form: Oral Poster
- Title of a paper and authors _____

• Registration Form should be completed and returned as attachment on

e-mail : ksukhyy@gmail.com
o.sverdlikovska@gmail.com

First announcement and call for paper

**X Ukrainian-Polish
Scientific conference**
“Polymers of special applications”
Lviv, September 21-24, 2020

**Lviv Polytechnic National
University, Lviv, Ukraine**
**SHEI Ukrainian State
Chemical Technology University,
Dnipro, Ukraine**
**Kazimierz Pulaski University of
Humanities and Technology,
Radom, Poland**

The conference will be held in Lviv Polytechnic National University, Ukraine, in September 21-24, 2020.

Organizing committee

Prof. Olga Sverdlikovska, *SHEI Ukrainian State Chemical Technology University, Ukraine*
Dr. Volodymyr Krasinskyi, *Lviv Polytechnic National University, Ukraine*
Dr. Volodymyr Moravskiy, *Lviv Polytechnic National University, Ukraine*
Dr. Nataliia Semeniuk, *Lviv Polytechnic National University, Ukraine*
Dr. Olena Shyshchak, *Lviv Polytechnic National University, Ukraine*
Dr. Vitaliy Tomilo, *SHEI Ukrainian State Chemical Technology University, Ukraine*
P.g. Yana Serhiienko, *SHEI Ukrainian State Chemical Technology University, Ukraine*
Dr. Krzysztof Golec, *Kazimierz Pulaski University of Humanities and Technology in Radom, Poland*
Dr. Janusz Szczerba, *Kazimierz Pulaski University of Humanities and Technology in Radom, Poland*

Honorary chairpersons

Prof. Yuriy Bobalo
Rector of Lviv Polytechnic National University, Lviv, Ukraine
Prof. Konstantin Sukhyy
Rector of SHEI Ukrainian State Chemical Technology University, Dnipro, Ukraine
Prof. Zbigniew Łukasik
Rector of Kazimierz Pulaski University of Humanities and Technology in Radom, Poland

Special guests – people, who organized the first Ukrainian-Polish conferences

Prof. Tomasz Prot
Prof. Volodymyr Syromyatnikov

Scientific committee:

Prof. Marcin Kostrzewa
Kazimierz Pulaski University of Humanities and Technology in Radom, Poland
Prof. Volodymyr Skorokhoda
Lviv Polytechnic National University, Ukraine
Prof. Wojciech Kujawski
Nicolaus Copernicus University, Poland
Prof. Michael Bratychak
Lviv Polytechnic National University, Ukraine

Prof. Dariusz Bielinski
Lodz University of Technology, Poland

Prof. Oleksandr Brovko
*Institute of Macromolecular Chemistry of the
National Academy of Sciences of Ukraine*

Prof. Marta Peonska-Brzezinska,
Medikal University of Bialystok, Poland

Prof. Academic Valery Shevchenko
*Institute of Macromolecular Chemistry of the
National Academy of Sciences of Ukraine*

Prof. Tomasz Sterzynski
Poznan University of Technology, Poland

Dr. Volodymyr Myshak
*Institute of Macromolecular Chemistry of the
National Academy of Sciences of Ukraine*

Prof. Alexey Kolendo
*Kiev National Taras Shevchenko University,
Ukraine*

Prof. Jolanta Tomaszevska
*University of Science and Technology Bydgoszcz,
Poland*

Prof. Oleh Suberlyak
*Lviv Polytechnic National University,
Ukraine*

Prof. Marek Kulazynski
*Wroclaw University of science and Technology,
Poland*

Prof. Polina Vakulyuk
*National University "Kyiv-Mohyla Academy",
Ukraine*

Prof. Tomasz Klepka
Lublin University of Technology, Poland

Prof. Janusz Sikora
*Lublin University of Technology,
Poland*

Prof. Olga Sverdlukovska
*SHEI Ukrainian State Chemical Technology
University, Ukraine*

Dr. Vera Budzynska
*Institute of Macromolecular Chemistry of the
National Academy of Sciences of Ukraine*

Prof. Jozef Haponiuk
Gdansk University of Technology, Poland

Prof. Oleh Chervakov
*SHEI Ukrainian State Chemical Technology
University, Ukraine*

Prof. Elżbieta Bociąga
University of Silesia in Katowice, Poland

Prof. Dorota Neugebauer
Silesian University of Technology, Poland

Prof. Małgorzata Szymiczek
Silesian University of Technology in Gliwice, Poland

Prof. Aneta Krzyżak
Military University of Aviation in Warsaw, Poland

Prof. Iryna Savchenko
*Kiev National Taras Shevchenko University,
Ukraine*

Prof. Justyna Kucińska-Lipka
Gdansk University of Technology, Poland

Prof. Mohamed Bakar
*Kazimierz Pulaski University of Humanities and
Technology in Radom, Poland*

Prof. Anita Białkowska
*Kazimierz Pulaski University of Humanities and
Technology in Radom, Poland*

Form of presentation

Invited lectures (30 min), oral presentations (15 min) and poster presentations are planned.

All the presentations can be prepared in English, Polish, Ukrainian.

One page abstracts in English will be published in booklet form before the conference.

Full-length papers in English, Polish, Russian, and Ukrainian, after through revision, will be published in conference proceedings.

Requests to the publication

1. The theses of the reports should be printed in English (no more than 1 page) and transmitted by e-mail to organizing committee.

2. The theses should be collected on the computer in the Word for Windows (.rtf - file format, supported MS Word 6.0 & 7.0).

3. The theses should be printed on a paper of the A4 format.

Fields: left - 2,5 cm, right, upper and lower - 1,5 cm.

4. The report is collected font type "Aryal Cyr".

The title of report (bold, size 14, all characters - capital, without word-wrapping) prints at the top of list.

Surname and initials of the writers (plain, size 12) are printed with new strings. Further on following string-organization, city, country (plain, size 12), and arrange on center.

5. Further with new strings prints the text of the theses (plain, size 14).

All text of publication is levelled according to the left side, without wordwrapping in the text.

6. The surname of the lecturer should be underlined. The text should be typed with a single interval.

The abstracts should be send as attachment on e-mail:

ksukhyy@gmail.com

o.sverdlukovska@gmail.com

and mail address:

Prof. Konstantin Sukhyy

Department of Technology of Fuel, Polymer and

Printing Materials of Ukrainian State Chemical

Technology University,

Gagarina Av. 8, Dnipro, Ukraine

Accommodation and cultural program

During the conference, a vacation was offered in the village of Slavsko, Carpathians, Lviv region, as well city tours are provided.

Topics

1. Synthesis and application of polymers (applications - electrochemical devices (accumulators, supercapacitors), membrane technologies for the purification of liquids and gases, "green" energy (solar collectors, accumulators of thermal energy), space technology (coating of aircraft, structural materials), biomedical engineering, natural and biodegradable polymers, polymeric materials based on renewable raw materials, ionic liquids).

2. Technology of polymeric and composite materials.

3. Nanomaterials and Nanotechnologies.

4. Paints, printing materials and coatings.

Deadlines

Registration form May 23, 2020

Abstracts June 23, 2020

The details of payment of participation will be specified in the second circular.
